

**God,  
I come to You in repentance of sin,  
Thankful for Your faithful love.**

**It was my blood that deserved to be shed,  
But You shed Yours for me.  
It was my death that was deserved,  
But You gave Your life for me.**

**Forgive my sins, for they are many.  
Give me strength to turn from each one.**

**Jesus, I will remember Your sacrifice  
Spirit, I will follow Your leading  
Father, I will walk in Your grace**

**Be pleased with my heart,  
Be glorified with my life,  
And give me more grace to continue.  
By the power of Christ's blood,**

**Amen**
