

God's people have a big enemy,  
the Philistine army.

# Goliath is a giant in the army.

# Goliath tries to scare God's people.

Goliath says he wants God's army  
to send one soldier to fight him.

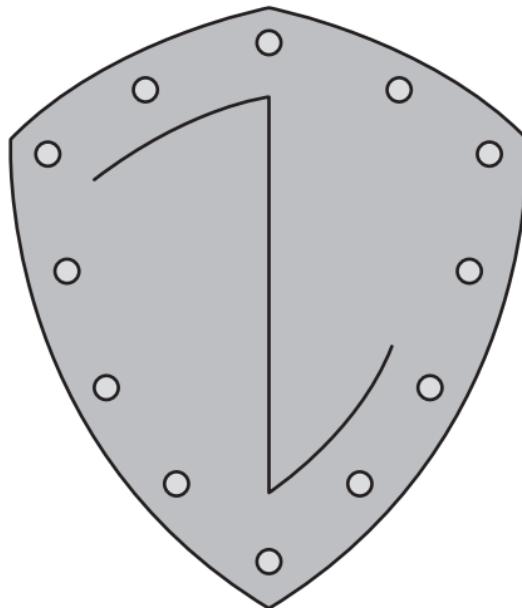

The soldiers of God's people  
are too afraid to fight.

# David tells the king that he will fight Goliath.

David tells the king  
that God will protect him.

David takes his slingshot  
and five small stones into battle.

God helps David throw that stone  
and hit Goliath right on the forehead!

# Goliath falls with that first stone!
