

God sends prophets to speak to his people because his people forget to love God and they stop obeying God.

God knows that his people
need help and He has a plan
to help them.

Isaiah the prophet goes to the people to share God's message with them about God's plans.

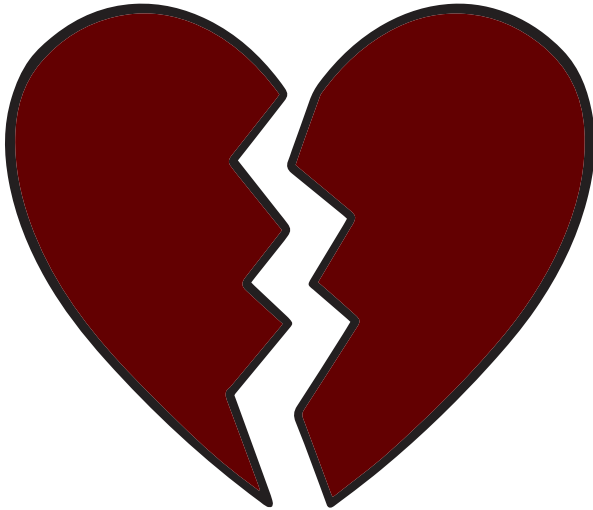

My people, you have
wandered away from me
and now you are lost.

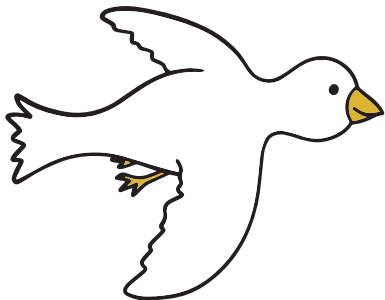

I am going to send a Shepherd
to lead you back to me.

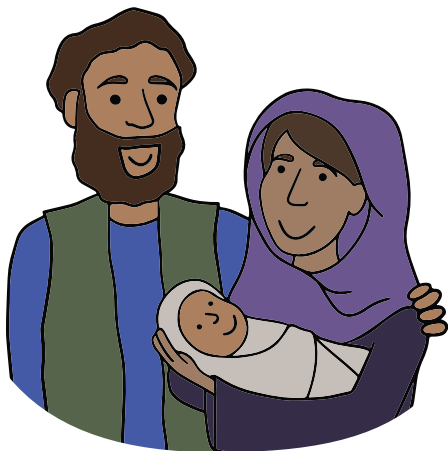

Sin has taken over how you live.

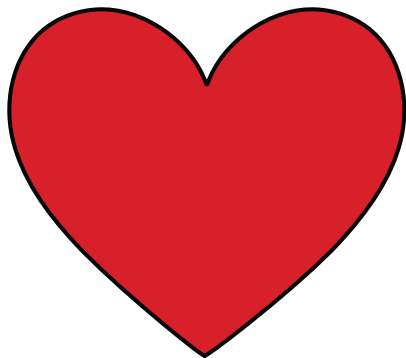

I am going to send you a
Prince of Peace.

He will come as a baby boy to a young mom who doesn't have a husband.

His name will be “Emmanuel”,
which means God with us, and he,
Jesus, will take away your sin and
bring you back to God.

One day, all sin and darkness will
be gone and the whole earth will
see his glory.
