

This is a story from the Bible.

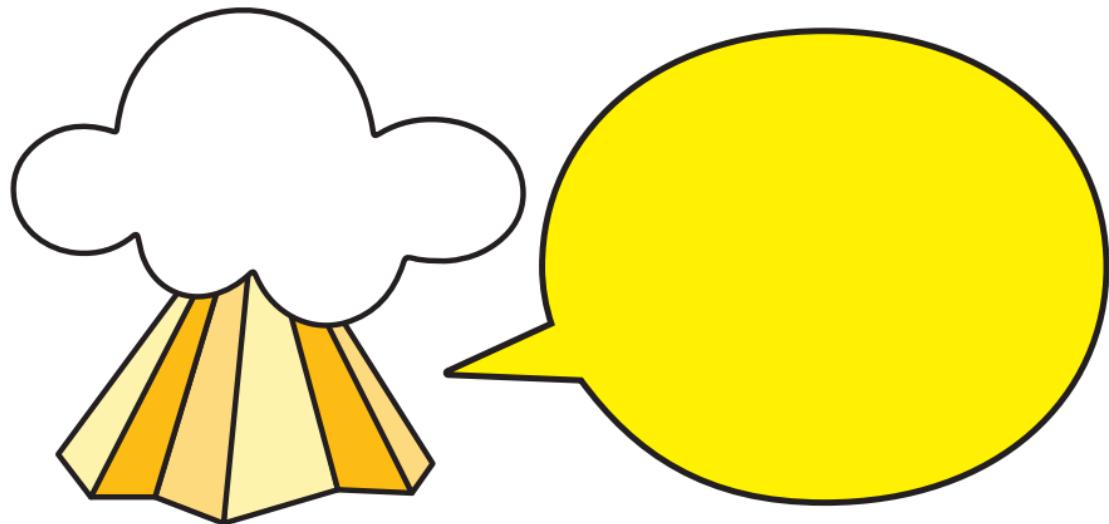

In the beginning, God created  
the heavens and the earth.

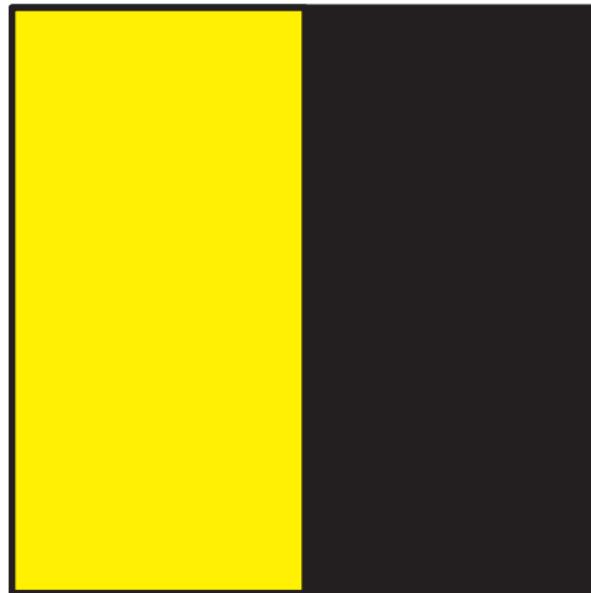

The earth was formless,  
empty, and dark.

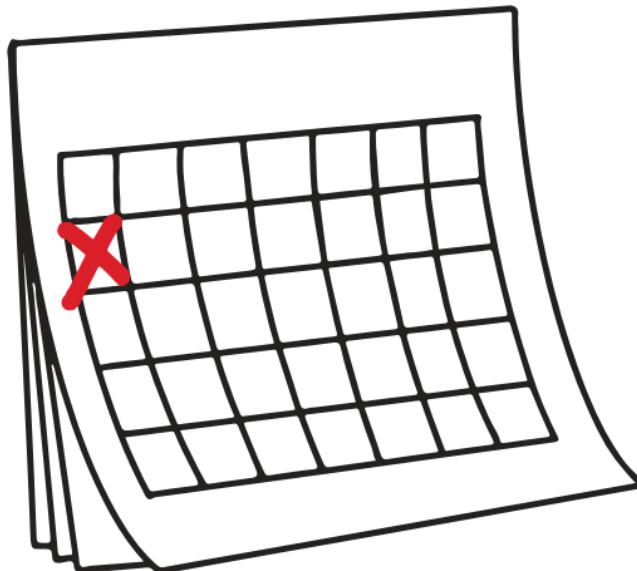

God said, “Let there be light.”

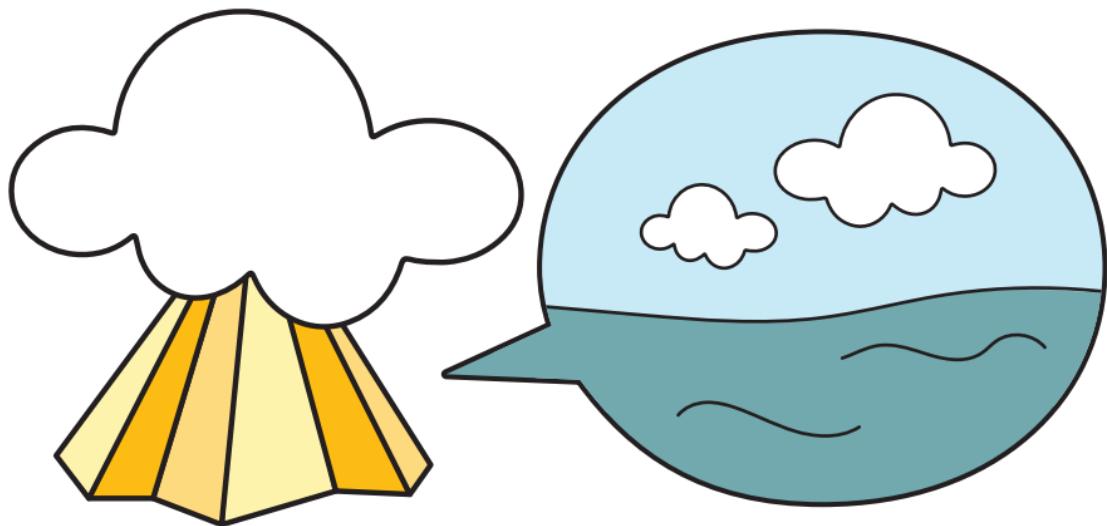

God called the light “day”  
and the darkness “night.”

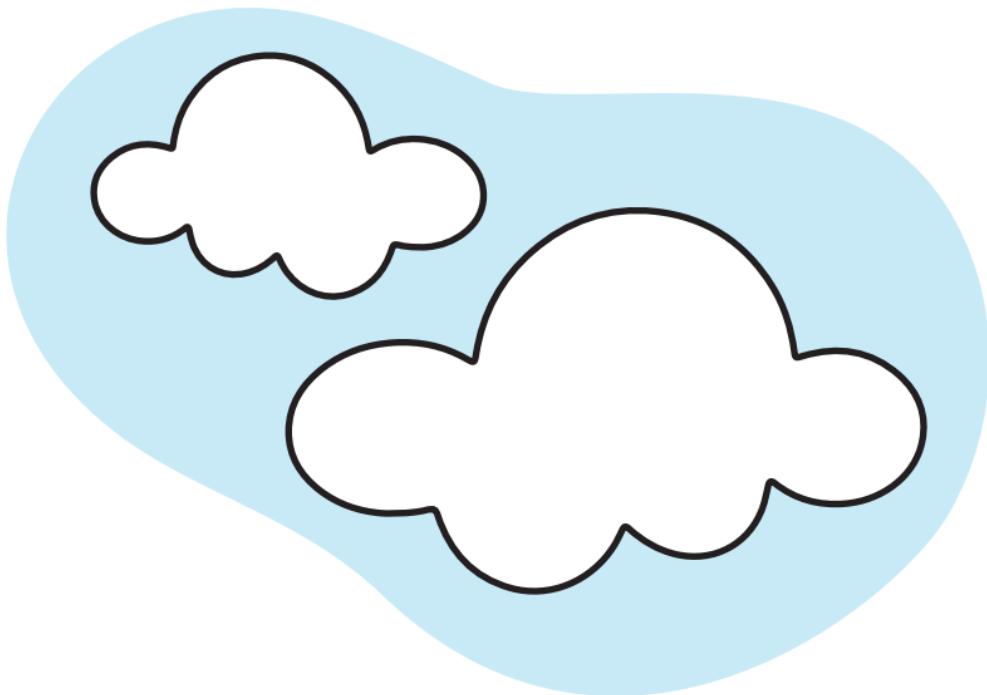

Evening passed and morning  
came, marking the first day.

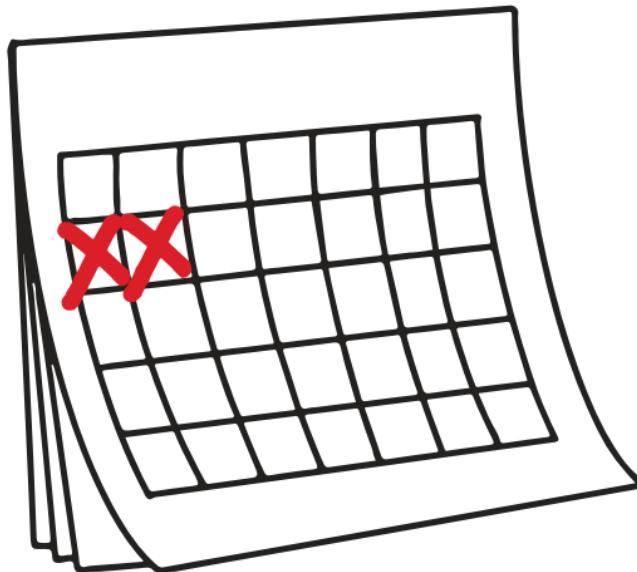

God said, “Let there be a space  
between the waters.”

God called the space “sky.”

Evening passed and morning came,  
marking the second day.

Everything God made was good.
