

This is a story from the Bible.

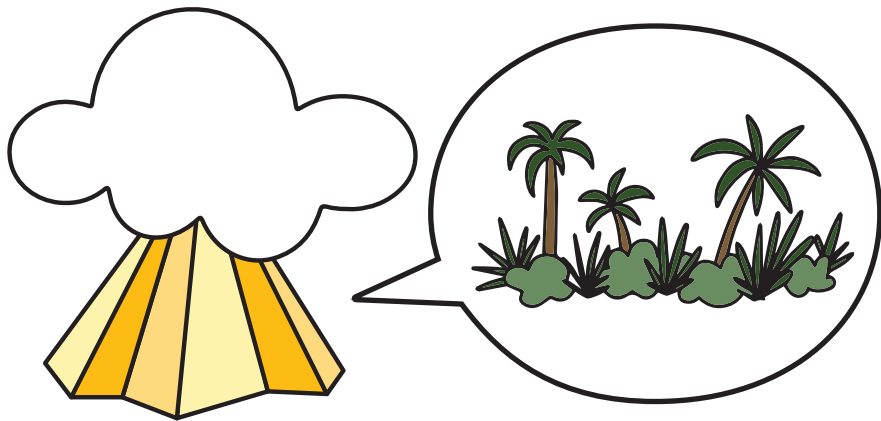

God said, “Let the waters beneath
flow together into one place,
so dry ground may appear.”

God saw it was good.

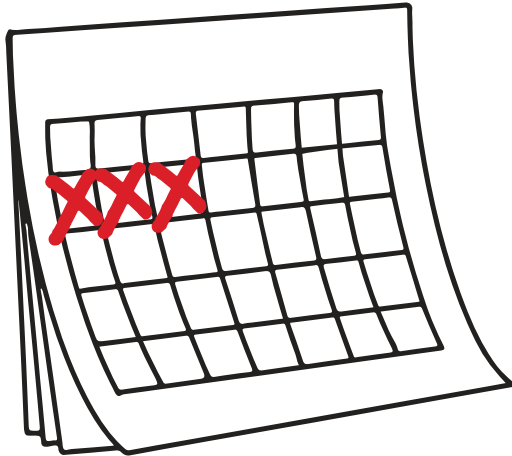

Then God said,
“Let the land sprout with vegetation
and produce plants and trees.”

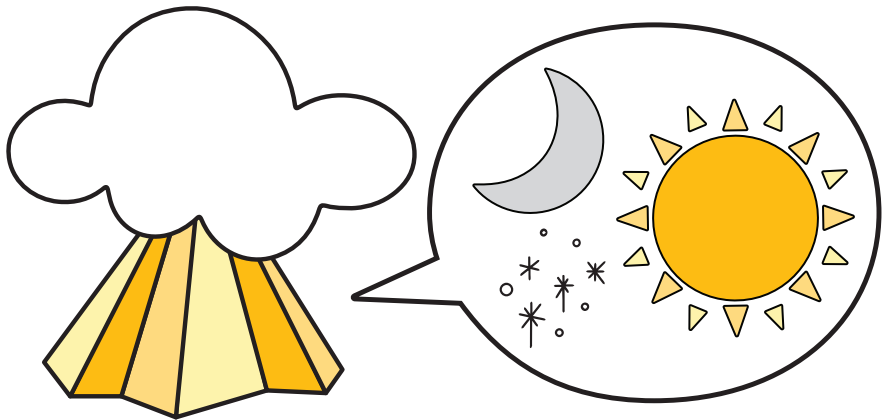

God saw it was good.

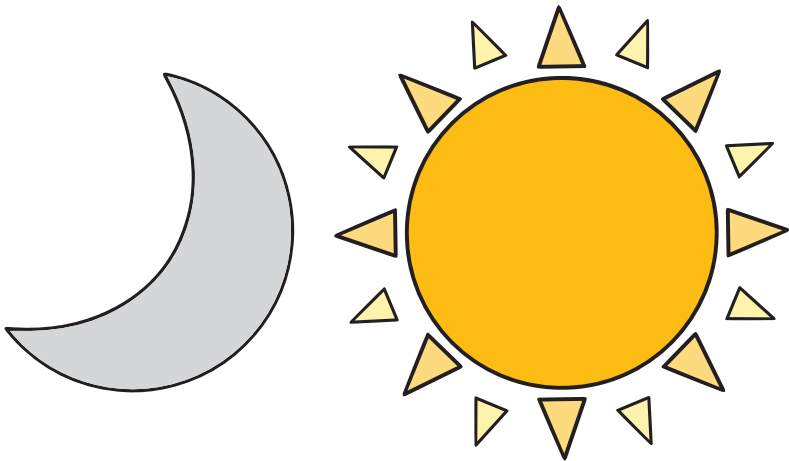

On day three, God created dry land, trees, plants, and flowers.

God said,
“Let lights appear in the sky.”

The larger one, we call the sun.
The smaller one, we call the moon.

God saw that it was good.

On day four, God created
the sun, moon, and stars.
