

Every week we will talk about a  
characteristic of God.

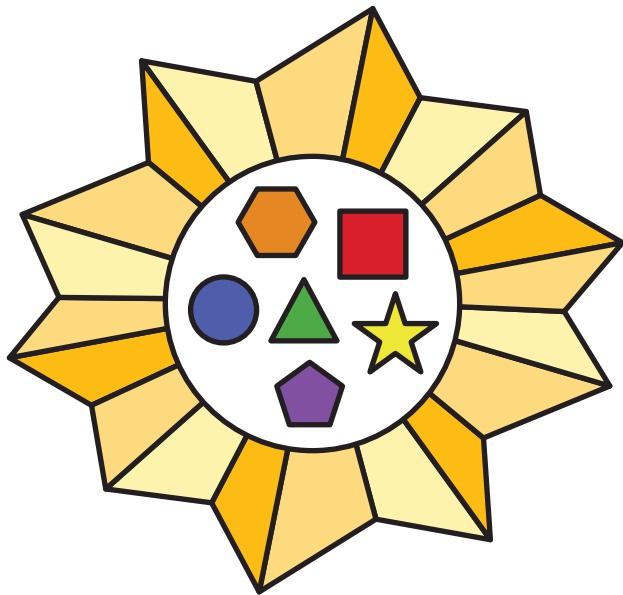

Characteristic describes what someone or something is.

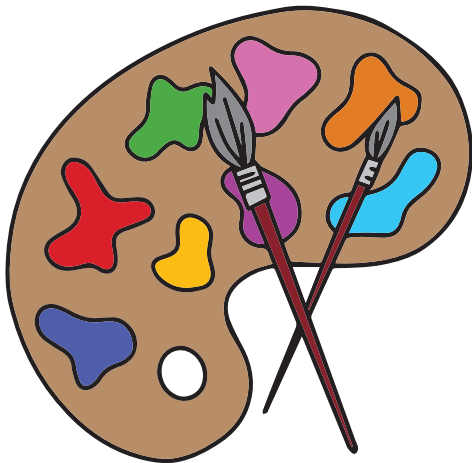

God is all these things and more,  
all at ONE TIME!

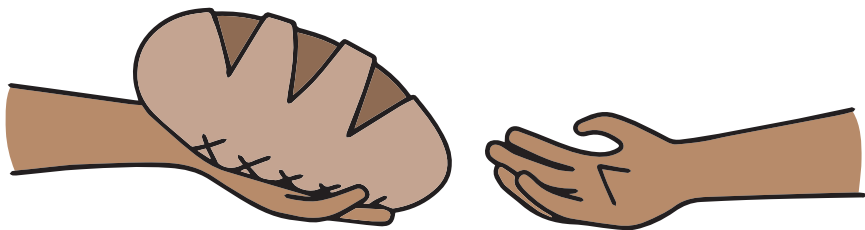

God's glory is made up of all the things we know about him.

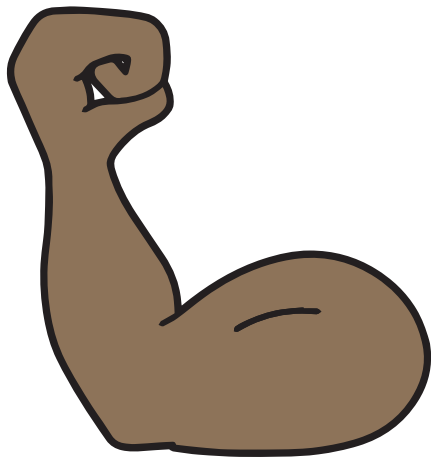

He is CREATOR.

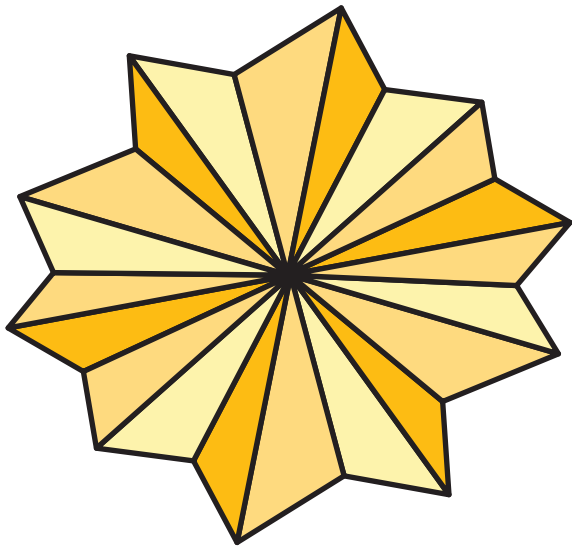

He is PROVIDER.

He is ALL-POWERFUL.

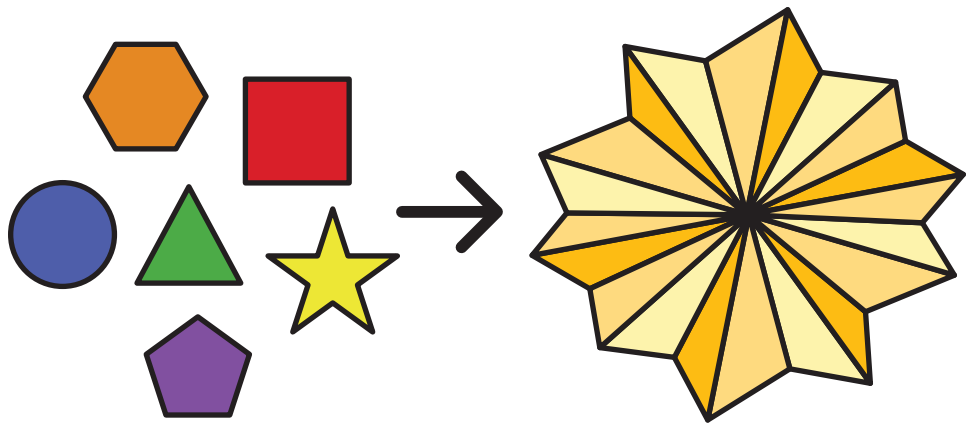

We get to see  
God's glory every day.

God's characteristics show  
us God's glory.

He loves us!
