

This is a story from the Bible.

Moses leads the Israelites  
into the desert.

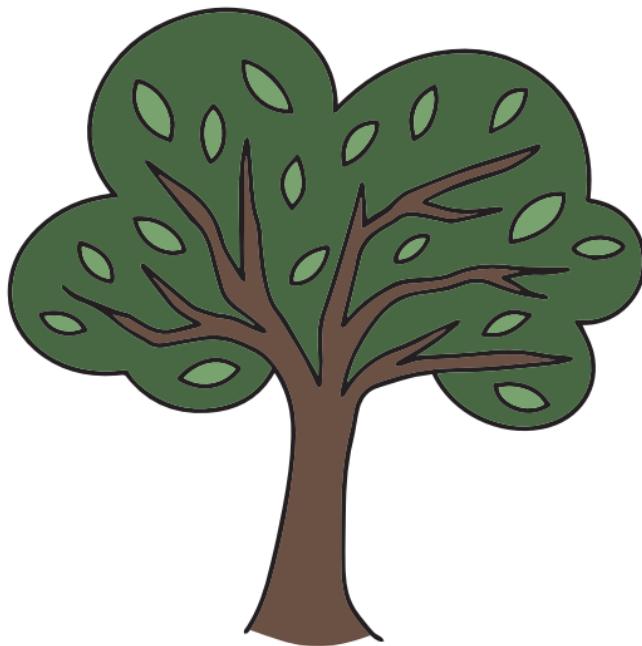

After three days the Israelites get thirsty and begin to complain.

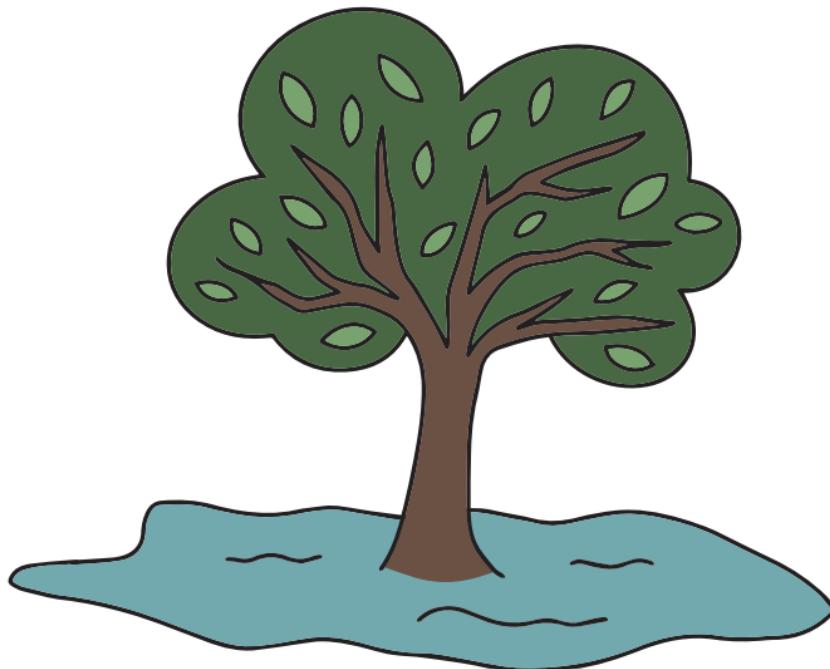

They don't have  
good water to drink.  
The water is bitter.

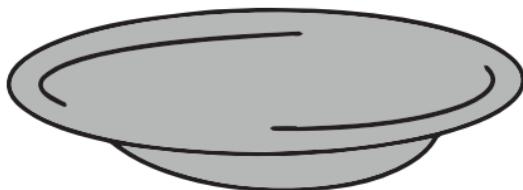

Moses prays to God  
and he shows Moses a tree.

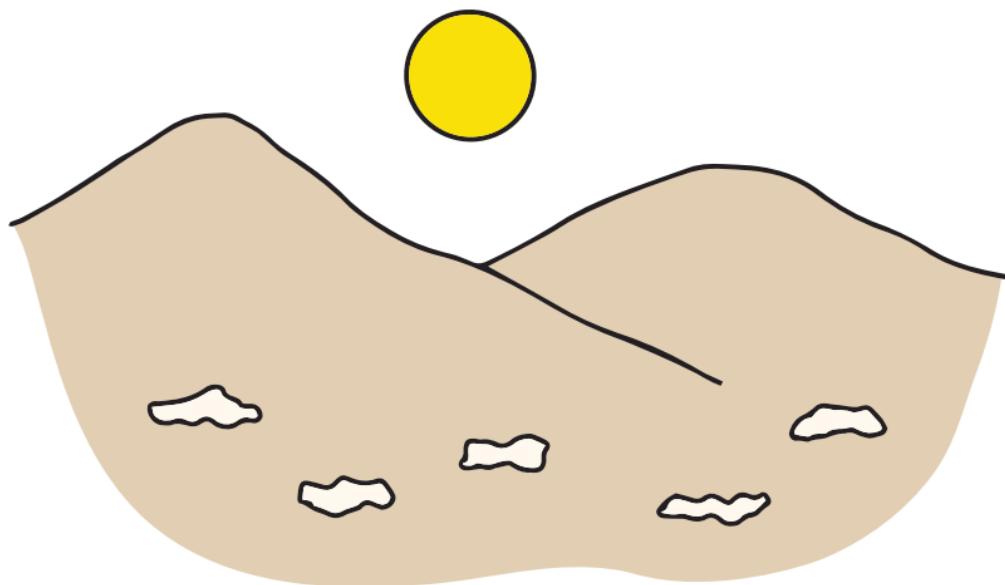

Moses throws the tree into the water and the water becomes sweet.

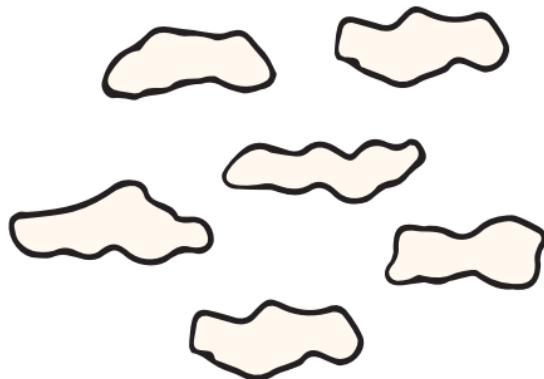

The people run out of food  
and they start to complain.

The Lord tells Moses he will send bread “manna” from heaven.

The people become tired of eating only manna and complain again.

Moses prays to God  
and God provides quail.
