LESSON:

This is a story from Luke 10 in the Bible (1). The Bible is God's Word and we know it is true.

In our lesson today, **a man wants to meet Jesus (2)** and ask him a question. **The man** who wants to ask Jesus a question **is a very smart man (3)**. **He wants to trick Jesus (4)** and see if he is a good teacher or not. We know that Jesus cannot be tricked because he is the Son of God. We know that God is all-knowing and Jesus knows everything. He knows the answer to every question we could have.

The smart man asks Jesus, “Teacher, **what should I do so I can go to heaven (5)** and live forever?” **Jesus replies**, “**What is written in the Bible? (6)** What do you think?” **The smart man answers** Jesus and says, “**Love the Lord your God with all your heart, with all your soul, with all your strength, with all your mind (7)**, and **love your neighbor as yourself (8)**.”

The smart man is a lawyer and thinks his answer is smart. Jesus knows that this man is far short of following these commands. **Jesus replies**, “**That is right! (9)** and “**Do this and you will live forever in heaven.**” (10)

We need to love the Lord with all of our heart, soul, strength, and mind. Also, we need to love others as ourselves. Just as God loves us in all of those ways, we need to do the same to him and everyone else. Because of God's love for us and his gift of Jesus, we are able to love God and others too. We can always count on him to help us love.
