LESSON:

This is a story from the Bible. **Daniel is a prophet** from Israel **and God uses him to understand dreams and tell others what they mean** (1). Daniel faithfully follows God, but **most of the people of Israel do not worship God. So, God allows them to be taken captive by the Babylonians** (2). **Nebuchadnezzar is the king of Babylon and he is very proud of himself** (3). He has built a beautiful city with large buildings and he rules over many people. **He often forgets that God is the One who gives him the ability to do these things and to be a powerful king** (4).

King Nebuchadnezzar has a dream that he doesn't understand (5), it worries him. **He asks all the wise men** to come to his palace to tell him **what the dream means, but they are not able to understand it** (6). **Then Daniel goes to see the king and he tells Daniel about his dream. God allows Daniel to know what it means** (7). **Daniel tells the king that** God is sending him a warning. Daniel tells him that his dream means that **God is going to take away Nebuchadnezzar's kingdom if he continues to brag** (8). **But** one day, while **King Nebuchadnezzar** is walking in the royal palace, he **continues to brag and** says, "Isn't this the great Babylon that I have built for a royal dwelling by my mighty power and for the honor of my majesty!" King Nebuchadnezzar starts thinking he is the one who is powerful and in control, and **he forgets that he could not have done anything without God** (9).

So God speaks and **says, "Your kingdom has been taken from you and you will live with the beasts in the field! You will be like this until you know that God rules over all men and gives power to whomever he chooses!"** (10) After God declares this, Nebuchadnezzar doesn't live in his palace, sleep in a bed, or talk to other people for seven years! When we brag, it is not pleasing to God. When we are good at something and do something really great, it is easy to forget that God gave us those talents. God is the one in control. He knows everything!

Key Point: God knows everything!
