**LESSON:**

**This is a story from Genesis 1 in the Bible (1).** The Bible is God's Word and everything in it is true.

**In the beginning, God created the heavens and the earth (2).** The earth was formless and empty, and darkness covered the deep waters. And the Spirit of God was hovering over the surface of the waters.

When God first created **the earth** there was nothing on it then. It **was formless, empty, and dark** (3). It was completely dark.

Then **God said, “Let there be light,** (4)" and there was light. God spoke and it happened; there was light. God created something by speaking!

And God saw that the light was good. Then he separated the light from the darkness. **God called the light ‘day’ and the darkness ‘night** (5). And **evening passed and morning came, marking the first day** (6).

Then **God said, “Let there be a space between the waters** (7), to separate the waters of the heavens from the waters of the earth." And that is what happened. God made this space to separate the waters of the earth from the waters of the heavens. **God called the space ‘sky.** (8)" And **evening passed and morning came, marking the second day** (9).

So, on the first day of creation, God made light. He called the light day and he called the darkness night. Verse four says God saw that the light was good! **Everything God made was good** (10).

And on the second day of creation, God made the sky. And he separated the waters of the earth from the waters of the heavens. God made the great, big sky and separated all the waters, and he didn't even use his hands. He spoke and it happened!

**Key Point:** God created everything!
