LESSON:

This is a story from Mark 12:41-44 in the Bible (1). Jesus is at the temple in Jerusalem (2). The temple was a place where people would meet to worship God, just like this church building. In the temple, **Jesus sits** down **across from** some **special boxes that people put money in as an offering** (3). The people are freely giving their money to honor God for all he has given them. Jesus watches as person after person puts money into the boxes. **Many rich people come to the boxes. They put lots of money in** (4) the boxes.

Then a poor woman comes to the boxes (5). The woman's husband has died, and she does not have much money (6). Jesus watches her as she drops two small coins, worth only part of a penny, **into the boxes** (7). Jesus calls his disciples over to him and **says**, "I tell you the truth, **this poor widow has given more than all the others** who are making contributions. **For they gave a tiny part of their surplus, but she, poor as she is, has given everything she had** (8) to live on."

You see, the poor woman does not have very much at all, but she gives God all that she has. **This woman believes that there is nothing better than giving all that she has to God** (9). She trusts that everything she has, God has given to her—even her two little coins. God is generous. Whether we have a little or a lot, God gives us everything we need.

Remember, God gives us everything we have, even life itself. He is Creator and Rescuer and he loves us so much. He wants to have a relationship with us forever.
