**LESSON:**

This is a story from Mark in the Bible. **Jesus is traveling from city to city, telling people about God** (1). Many people in Capernaum have heard of the miracles that Jesus is doing and the people that Jesus has healed. They have come to see him because they want to hear what Jesus has to say and to see what he will do next, or because they are sick and want Jesus to heal them.

**There is one man who wants to go see Jesus, but he is paralyzed** (2), his legs don't work. **The man and his friends believe that Jesus can heal him** (3) and make him walk. So **the friends put him on a mat and carry him to** the house where **Jesus** (4) is teaching people about God.

**When they get to the house, it is so full** (5) that they can't even get to the front door. So **these men** carefully **carry their friend on his mat to the roof of the house** (6). **They dig a hole in the roof** right over where Jesus is standing **and lower their friend down to Jesus** (7).

**Jesus sees that the paralyzed man and his friends have faith** that Jesus can heal him. **So Jesus tells the man, "Your sins are forgiven. Pick up your mat and walk.** (8)" The Bible says **the man jumps up and walks right out the door** (9).

**The man goes home praising God** (10)! Everyone who saw what happened in the house that day also praises God saying, "We have seen amazing things today!" We can also praise Jesus! He is a healer!
