**LESSON:**

When Moses goes to **Pharaoh**, he finds that Pharaoh **does not want to let the Israelites go** (1). Finally, **after** God sends **many plagues** on the Egyptians, **Pharaoh tells them they can go** (2). When the Israelites leave Egypt, God lets his people know he is with them and will protect them. God leads them by a pillar of cloud in the daytime and a pillar of fire at nighttime. After a while, **Pharaoh decides to go after the Israelites and bring them back to Egypt** (3).

When the Israelites see Pharaoh's army coming with horses and chariots, they become very afraid! Moses encourages the Israelites to trust God's plan for them and to know he will fight for his people. Moses tells the people, "Do not be afraid. Just stand still and watch the Lord rescue you today."

Then **Moses leads the people toward the Red Sea** (4). **God tells Moses to stretch out his rod over the Red Sea** (5). **God causes the Red Sea to divide so the Israelites can cross over** the sea **on dry ground** (6). After that, God goes behind his people and causes a cloud of darkness to come over the Egyptian army, but gives light to the Israelites. When the Israelites cross, **God lets Pharaoh's army follow them into the sea** (7). Then **God causes the Egyptian army to have trouble with their chariots and they get very confused** (8). Again, **God tells Moses to stretch out his rod over the sea** (9), and **God causes the Red Sea to flow over the Egyptian army** (10), horses, and chariots.

So God saves his people from the Egyptians. God provided a way for his people to escape Egypt. He knew what they needed and he saved them. God also provides for us, so we can trust him and not be afraid.
