### LESSON:

When David is still a boy, **God’s** chosen **people** **have a big enemy**. Their enemy is **the Philistine army** (1). The Philistine army has a soldier named **Goliath**. He **is a giant in the army** (2). **Goliath tries to scare God’s people** (3).

Goliath is over nine feet tall. He also carries a huge spear with an iron point at the tip and wears a bronze helmet on his head. People are terrified of him. **Goliath says he wants God’s army to send one soldier to fight him** (4). If the soldier from God’s army wins, the Philistines will serve God’s people. If Goliath wins, God’s people will serve the Philistines. All of **the soldiers of God’s people are too afraid to fight** (5). So Goliath comes out every day for 40 days to say the same thing. Even the king of God’s people is too scared to fight Goliath.

David, who is still a shepherd, goes to the hill where the army of God is staying. **David** hears about Goliath, and he **tells the king that he will**

**fight Goliath** (6). The king replies, “You aren’t able to go out there and fight. You are too young, and Goliath has been fighting ever since he was a boy.” **David tells the king that God will protect him** (7).

The king dresses David in his own armor, but it is too heavy for David to walk around in. So **David takes** off the armor and picks up **his slingshot and five small stones**, placing them in his bag to take **into battle** (8). David says to Goliath, “You come to fight me with a sword, a spear, and a javelin. But I’m coming against you in the name of the Lord who rules over all. This battle belongs to the Lord.”

David flings that little stone into the air, and do you know what God does? **God helps David throw that stone and hit Goliath right on the forehead!** (9) **Goliath falls with that first stone!** (10) God protects David and helps him. God is stronger than any giant. God is stronger than any problem or hard thing we face. He knows what we need, and if we rely on him and ask him to help us, he will.

**Key Point:** God is always with us!

### Review Questions

1. **Can God help us when we have to do hard things?** (Yes.)
2. **Is God near us when we are afraid?** (Yes.)
3. **Why does God help us with hard things?** (Because he loves us.)
4. **How was David able to fight Goliath?** (Because God was with him and David fully relied on God and knew God would protect him.)
5. **What kind of armor did David wear when he fought Goliath?** (None. He relied on God and did not wear any armor.)

### ACTIVITY:

#### David’s Stones

##### Supplies

- Paper sandwich bag (one per child)
- Sheet of gray paper (two per child)
- “David’s Stones” label (one per child)

Give each child a paper bag to color. Then have them put a “David’s Stones” label on the front of the bag. Give each child two sheets of paper and have them rip the sheets into five pieces, which they will crumple and put in the bag to represent five stones like David had. As the children are working, talk with them about the story of David and Goliath, along with how God can give them the power to overcome any challenges they may face in life. God was with David and protected him. With God, it only took one stone for a young man to take down a big giant!

\*\*\*Have fun and let them do the crafts themselves, as much as possible. This is a hands-on way for them to learn who God is and remember what they learn. It doesn’t matter if they place the label or stickers in the wrong spot. What matters is teaching them who God is.\*\*\*
