

CHOICES

Choices | Week 1

1. We all have choices to make. What kind of choices are you making?
2. In what ways have you seen the consequences or effects of your choices - good or bad?
3. What are your choices telling you about your relationship with God?
4. What is something you would choose over your relationship with God (stuff, popularity, etc)
5. Who is your authority? What's a choice you have to make this week that you can ask them about?
