Please incorporate these questions into your above discussion

1. In the teaching, why was Nehemiah sad?
2. How did Nehemiah try and feel comfortable?
3. How did Nehemiah turn to God for help when he was afraid?

Small Group Activity:

Instructions:

1. Each student performs a trust fall with a leader.
2. Leaders ask what it felt like to not know whether they would be caught, were they uncomfortable, etc. Explain that this is similar to Nehemiah stepping into discomfort but trusting God to care for him.
