

EPHESIANS ②

Ephesians | Week 2

- 1) There were two questions for us to think through – *Are you taking the work of the cross for granted? / What is my reaction to the story of the Cross?* Let's talk about those first.
- 2) How is God's righteousness and holiness different from when we try to be righteous and holy?
- 3) Is it fair that we are under God's anger (Eph2:3) because of the sin and disobedience in our very nature? Can God's holiness and righteousness coexist with our sinfulness and disobedience?
- 4) Have you ever thought, or heard people mention, that God is just a judgemental and angry God? How does Eph 2:4-5 disagree with that idea?
- 5) What does our life look like when we're not taking the story of the cross for granted? What can we do, to keep it from becoming something we grow *too* familiar with?
