I Samuel 15:1-3 NlrV Verse Reference

Samuel said to Saul, “The LORD sent me to anoint you as king over his people Israel. So listen now to a message from him.”² The LORD who rules over all says, ‘I will punish the Amalekites because of what they did to Israel. As the people of Israel came up from Egypt, the Amalekites attacked them.

³ “Now go. Attack the Amalekites. Set everything apart that belongs to them. Set it apart to me in a special way to be destroyed. Do not spare the Amalekites. Put the men and women to death. Put the children and babies to death. Also kill the cattle, sheep, camels and donkeys.”
