

## God Looks at the Heart

### Supplies:

Spool of yarn - enough for two yards per camper (1 spool per bin)

Pipe cleaner (1 per camper)

Heart shaped cookie cutter (2-3 per bin)

Verse tag - 1 Samuel 16:7b (1 per camper)

Craft sample picture with instructions (2 per bin)

Scissors

Hole punch

Help campers bend the pipe cleaners into the shape of hearts. The cookie cutters can be used to form the hearts. Next, tie the yarn onto the heart and pull it GENTLY (so as not to misshapen the heart) across the heart, looping it around the pipe cleaner on the opposite side. Repeat until the desired design is complete. Tie a knot and cut the yarn, leaving enough length to hang the heart. Give each camper a verse tag with a hole punched in the corner. Have them attach the tags to their hearts as a reminder that God does not look at the outward appearance, He looks at the heart.
