

Situation & Questions Guide

Situation

You rake all the leaves in your neighbor's yard and she gave you \$10 for your hard work.

1. Did you earn this money?
2. Is it yours?
3. Do you need all of it?
4. What do you think you would do with it? (Save, spend, give, etc.)

Situation

Your neighbor has a dog but he is too old to walk it every day. You go over and walk his dog every day for him and the last time you did, he ended up giving you \$5 and a big bag of M&M's for helping him.

1. Did you earn this gift?
2. Is it yours?
3. Do you need all of it?
4. What do you think you would do with it? (Save the money, eat all of the candy, share it, spend the money, etc.)

Situation

Your birthday is tomorrow and when you go to school one of your friends gives you a box full of cookies for your birthday.

1. Did you earn these cookies?
2. Are they yours?
3. Do you need all of them?
4. What do you think you would do with them? (Eat them all yourself, share them, save them, etc.)

Situation

Your mom gives you three chores to do: 1) clean your room, 2) sweep the kitchen floor, and 3) pick up all of your toys in the family room. You obey and do all three chores right away. When you are finished your mom surprises you with a bag full of goodies.

1. Did you earn this gift?
2. Is it yours?
3. Do you need it?
4. What do you think you would do with it? (Keep everything for yourself, share it with friends, give it away, etc.)
