2

## On Purpose | Week 4

1. What do you think is the difference between "loving yourself", the way the world encourages us to, and seeing ourselves the way God made us?
2. Do you think that most guys have something they are insecure about or is this just something girls deal with? Why is it hard for us as guys to talk openly about what our insecurities are?
3. What is something that you think you might be insecure about? *(Small group leaders should lead by example and share first. Don't force every kid to share but create an encouraging environment by being vulnerable first)* Follow up questions:
  - Where do you think that insecurity is coming from?
  - What do you think made you believe that or have that fear?
  - What do you think God would say about that insecurity?
4. How can the idea that "God is creator and we are not" help with our insecurities?
5. What can you start doing to help other people see themselves the way God sees them and not focus on their insecurities?

## Mosaic

1. How do you feel about being made in God's image?
2. Do you know that God is proud of the way he made you?
3. We might have limits and things we can't do, but God still loves us the way he made us. Is that hard to believe sometimes?
4. How can we help other people feel good about the way that God made them?
